- **trips outside of the home should only be for essential reasons (work, school, groceries/pharmacy, health care, assisting vulnerable individuals or exercise and physical activity e.g., walking, hiking, X-Country skiing, snow shoeing, skating etc.)**
- **Limit for outdoor organized public events and social gatherings, physical distancing (2 meters) to be maintained: -----10 people outdoors maximum**

The BPP Organization will responsibly comply with the Ontario SHUTDOWN by; continuing host and post outdoor activities on the Calendar, insistence that BPP participants carry masks and wear them properly if physical distancing (2 M) cannot be maintained from those not of the same household, limiting activities to 10 people, dividing the participants into groups of less than 10, staggering start times and alternating routes if greater numbers arrive for a scheduled activity.
